by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 54-21-104(c), is amended by designating the existing language as subdivision (1) and by adding the following language as a new subdivision (2):

(2) In the event that a permit has not been renewed by December 31 for the following year as required in this subsection (c), the permit shall not be considered void until the commissioner has given notice of the failure to renew, which notice shall be given in the manner provided in § 54-21-105(b). The notice shall specify that failure to renew the permit may be remedied by submitting a late renewal form and paying a late renewal fee in the amount of two hundred dollars (\$200) within thirty (30) days of receipt of the notice. Otherwise, failure to remedy within the thirty-day period shall void the permit and cause the outdoor advertising device to be considered unlawful and subject to removal as provided in § 54-21-105.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
